Supplemental Ventilator Care and Tracheostomy Care Payments

Supplemental Ventilator Care and Tracheostomy Care payments will be made to qualifying MA nonpublic and county nursing facilities each calendar quarter effective July 1, 2014 based on the following:

A nonpublic and county nursing facility will qualify for the payment if both of the following criteria are met based on each Picture Date:

- (A) The facility has a minimum of ten MA-recipient residents who receive medically necessary ventilator care or trachestomy care; and
- (B) The facility has a minimum of 10% of their MA-recipient resident population receiving medically necessary ventilator care or tracheostomy care.

The determination of medically necessary ventilator care is based on whether there is a positive response to MDS 3.0 Section O0100F1 or O0100F2 on the MDS assessment identified on the Picture Date CMI Report. The determination of medically necessary tracheostomy care is based on whether there is a positive response to MDS 3.0 Section O0100E1 or O0100E2 on the MDS assessment identified on the Picture Date CMI Report.

The Supplemental ventilator care and tracheostomy care per diem shall equal ((number of MA-recipient residents who receive necessary ventilator care or tracheostomy care/total MA-recipient residents) x \$69) x (the number of MA recipient residents who receive necessary ventilator care or tracheostomy care/total MA-recipient residents). The quarterly payment shall equal the supplemental ventilator care and tracheostomy care per diem multiplied by the number of paid MA facility and therapeutic leave days.

		Paid Facility and
	<u>Authorization</u>	Therapeutic Leave Day
Picture Date	Schedule	Quarter
February 1	September	January 1 – March 31
